7 requirements during the original approval period, except that an additional
8 instructor competency area may be added during the license period on
9 submission by the instructor of evidence of competency in such additional
10 competency area.

11 K. The thirty day and fourteen day course filing time frames
12 prescribed in this section may be waived by the department for good cause
13 shown.

15 subsection C of this section, the department's approval of a school, school
16 official, instructor or course shall be processed in a time frame consistent
17 with the time frames set forth in this section.
